Re:

APD Rescinded - NBU 920-12C, Sec. 12, T. 9S, R. 20E

Uintah County, Utah API No. 43-047-39236

Dear Ms. Paulo:

The Application for Permit to Drill (APD) for the subject well was approved by the Division of Oil, Gas and Mining (Division) on April 30, 2007. On May 5, 2008, April 27, 2009, May 3, 2010, April 14, 2011 and May 7, 2012 the Division granted a one-year APD extension. On May 10, 2013, you requested that the division rescind the state approved APD. No drilling activity at this location has been reported to the division. Therefore, approval to drill the well is hereby rescinded, effective May 10, 2013.

A new APD must be filed with this office for approval <u>prior</u> to the commencement of any future work on the subject location.

If any previously unreported operations have been performed on this well location, it is imperative that you notify the Division immediately.

Sincerely,

Diana Mason
